● Intro Music - “My Father Is So Good To Me”

Hi, my name is Carl Vasta and I would like to welcome you to the Bible Seeds section here, at Understanding God’s Word. This is where I get to comment on biblical readings and stories that brings the bible into what’s happening to us in our daily lives.

I’ll touch on such topics as Family Prayer or Why I Believe There Is A God. I’ll talk about what was predicted that makes these the Terrible Times In The Last Days or how to Have A Daily Meaningful Relationship With God.

Today's topic is: **The Hidden Dash**

If you have ever read an obituary in a newspaper or walked through a cemetery and read the names of the people who have died and the dates of their lives on the gravestones, you may have noticed when they were born and when they died.

We usually don’t give much thought about the dash between their first breath and the last breath they took. That dash represents everything that happened to them in their life and whatever they did. The dash tells us nothing! Their visiting relatives may be able to relate stories about their lives, but after they’re gone, the dash still tells us nothing. Only God knows!

All of their worldly dreams, a home, a business, a dream to be the president or a king is canceled with their last breath.

They may be famous and think that the people in this world will remember their accomplishments. They may have a great reputation as an scientist, inventor, artist, a musician, an actor or a writer. If their name happens to come up two or three generations from now, people then will probably ask, “Who was that?” Only God knows!

Some people have been celebrated in songs, books, and movies, but only a small portion of their lives are presented to give their **“hidden dash”** a little bit of life.

We don’t know who Eleanor Rigby was, from the famous “Beatles” song, but we do know that she was basically lonely and unloved. And Davey Crockett and the Alamo lives in another song from the 1950s. Some songs last generations but the knowledge of the people in the songs leave us little to know about their lives. But God knows!

Recently, we’ve had the leaders in our governments tell us that they alone know what **“misinformation”** is and what is true. And they are ready to make sure we know what they know. But they cannot decipher the **“hidden dash”**.

Jesus told us **“Don’t be afraid of those who kill the body, they have no power to kill the soul.”** (**Matthew, Chapter 10: verse 28**)

The soul is the **“hidden dash”** that only God knows!

People can't read it; the devil and his angels can't read it; but only **God; the Father, His son Jesus, and the Holy Spirit** can read your life, your motives, your dreams, your prayers, your heart. Nothing about you is forgotten, dismissed, and lied about. There is no misinformation about you.

If you want the truth about the people who govern you in this world, **Go To The Bible.** Try Paul's letter to Timothy which tells him how people will be in the latter days; (**2nd Timothy, Chapter 3, verses 1-7**)

There will be terrible times in the last days.

People will be lovers

Of themselves and lovers of money,

proud, arrogant, abusive, disobedient to their parents,

ungrateful, using profanity and showing contempt for and all that is sacred.

They will be without love, unfeeling, heartless and cruel,

taking pleasure in getting revenge, and ready to ruin someone's reputation by telling lies and stirring trouble.

They will think, speak and act immorally, and will ridicule people trying to do what is right and good.

They will be brutal, hating anything that is good.

They will be treacherous, reckless, pompous, lovers of pleasure rather than lovers of God.

They will pretend to be religious or church going people, but they will not believe God's word and will deny God's power.

Stay away from these people.

Are these the leaders in our governments that will tell us that they alone know what **“misinformation”** is and what is true?
