- **Intro Music -**

Hi, my name is Carl Vasta and I would like to welcome you to the Bible Seeds section here, at Understanding God's Word. This is where I get to comment on biblical readings and stories that brings the bible into what's happening to us in our daily lives.

I'll touch on such topics as Family Prayer or Why I Believe There Is A God. I'll talk about what was predicted that makes these the Terrible Times In The Last Days or how to Have A Daily Meaningful Relationship With God.

Today's topic: **What The Covid-19 Vaccine Teaches Us About God**

Last week, a website identified as:

<https://iqfy.com/unvaccinated-silence/> appeared on the internet and had a big question for the people who opened this page.

They asked: **"They knew: why didn't the unvaccinated do more to warn us?"** *As the world struggles to come to terms with the devastating effects of the COVID-19 pandemic, one question that continues to surface is why the unvaccinated didn't do more to warn us about the potential dangers of being injected?*

They also added at the bottom of their website this sentence! *"The unvaccinated should by any moral measuring stick have done more to warn about the potential risks – to help us make*

informed decisions about our health. And they must now ask us for our forgiveness. And, hand to heart, we may just give it to them. Because we are good people. We took those injections because it was the right thing to do – until it wasn't.

There were many commentators in that section and for a while, the commenting was disabled. But later the comments were open on a trial basis because they claimed that 25% of the comments were from troll [farms] storms.

Among the acceptable comments were such as this: ***“We have been telling you for years – but have been ignored, laughed at, and accused of being mentally ill and murders by the same people stupid enough to take medical experimentation because ‘that nice Dr. Hillary of the telly said it was safe’. Stop lying, and own your own shame.”***

The rest of the commenters pretty much said the same thing but I felt angry at the people who would lie to people just to make a lot of money and continue to mandate these shots even though they knew it was wrong. ***They are truly “EVIL!”***

But are we truly naïve thinking there is no ‘EVIL’ in this world? We’ve heard about the ***“Devil” and his demons!*** But there are a lot of people who really don’t believe there is a devil or demon or people possessed by such things.

The evil people pushing these vaccines have the same goals as the devil: ***In the book of John, Chapter 10: verse 10 describes the devil as a thief that comes to steal and kill and destroy.***

The book of 1 Peter, Chapter 5: verse 8 says, *Be sober-minded; be watchful. Your adversary the devil prowls around like a roaring lion, seeking someone to devour.*

There were many people who refused to take the vaccine and were punished by losing their jobs, unable to go into some places of business, and were ridiculed in public places. This wasn't done in secret, but right out in the open in front of all who could see!

Hospitals and doctors refused to treat us and give us the medications that could help us, People in the armed services who didn't take the vaccine lost their ranks, their commissions and given a dishonorable discharge. None of this was secret. Even local news stations took pleasure in shamming us and made sure that we would be targets of everyone who was vaccinated!

So what does God have to do with all of this?

I believe that He watched out for all of us and helped us to try and tell the other people what we felt about these vaccines! I also saw some resemblance in the book of Revelation between the Mark of the Beast and what was happening now. Those who didn't take the mark were killed by the anti-Christ!

At the great White Throne Judgment, will people headed for "Hell", with the devil and his demons, say the same things about those who believed in God, the Father, His Son Jesus, and the Holy Spirit as they said in this website blog?

'They knew: Why Christians didn't do more to warn us about the potential dangers of going to Hell with the devil and his demons?'

Many Christians tried to tell the people around them about God's plan of Salvation through His Son Jesus. ***But some who did not think there was a God, a devil, or Jesus would not even believe they committed any sin, in their whole life, that needed forgiving!***

And even some of the people who have attended church most of their lives and regarded themselves as good people will be surprised and sad to hear Jesus' words at the last judgement when he says at **Matthew, Chapter 7: verses 21-23**, **“Not everyone who says to Me, Lord, Lord, shall enter the kingdom of heaven, but he who does the will of My Father in heaven.**

Many will say to Me in that day, Lord, Lord, have we not prophesied in Your name, cast out demons in Your name and done many wonders in Your name?

And then I will declare to them, ‘I never knew you; depart from Me, you who practice lawlessness.’ ”

And will we hear from those people the last words we read from the people in this website?

Saying, ***“The people who were our Christian brothers and sisters, should, by any moral measuring stick, have done more to warn us about the potential risk, to help us make informed decisions about our salvation, and they must now ask our forgiveness. And, hand to heart, we may just give it to them.”***

“Because we are good people, we took living and knowing Jesus lightly, because we thought we were doing ‘all we needed to do’, and was the right thing to do – until it wasn’t.”
